ACM Awards

You will need to create a new account for each type of award you are nominating for as these are not connected and are separate to your ACM login. You can do this by clicking on **Log In** at the top right of the page.

- Complete Step 1 and 2.
- Review your nomination then make sure you click submit.
- Please note: If you are making more than one nomination for the same award category, your subsequent entries will pre-fill your first nomination details so you will need to clear these and enter you subsequent nominee's details.
